# SEE YOU THERE!

*We're so excited to see old friends and meet new ones at the PSOA 2025! We look forward to telling you more about our workshops & our new business, smart Coach.*

*If you'd like to know more before the conference, follow us on Instagram or check out the websites below.*

*In the meanwhile, this will be a very special conference for me. My tenth time at the PSOA, this time though, with my own booth! Come and say hello!*
